

# WESTERN SYDNEY HISTORICAL TRUCK CLUB

February 2012

## RECENT EVENTS

### Diesel Day at Thirlmere Train Museum, 22 January :

Representing the Club were Ron Ross with his International paper truck, Gerry McArdle with his "Intermodal" Kenworth, Trevor Elwood with his Big Green Mercedes, Brad Dwyer in his Louisville with Mike Dodds as ballast and Jeff McNiff with his Austin. All enjoyed a great day.

Australia Day Events, 26 January: Andy Nash and his "young lad" Jerome represented the club at the NRMA Motorfest. While the day was mostly fine, 6 drops of rain fell in the afternoon.

Ron Ross reported that activities at the Pioneer Village, Wilberforce were washed out.

David West had his Diamond-T and 1927 Chev sedan in the Camden Australia Day parade. Although the weather was unsettled most of the time it was a successful day with thousands of people attending.
