Golden Oldies Truck, Tractor & Quilt Show - Dubbo Sunday 13 August by Garry Schroder

The Show was always going ahead despite constant rain falling for Thursday and Friday before show day. The Golden Oldies Club had put in place contingency plans. The exhibits were concentrated around the grounds, under the big pavilion, and two sheds.

Thirty WSHTC club members attended. Most arrived on Friday in very wet conditions.

The sun shone briefly for about 12 hours between downpours on the Saturday Show Day. Then the rain returned on Sunday, along with hail.

The number of trucks on display was excellent - over 150 from Victoria, Queensland and all over NSW. One of the outstanding trucks on show was Les Bird's recently restored Mercedes Benz. Member Perry Bourke had his two very well presented trucks there, including his 1986 Atkinson 4870 which was quite a standout.

Patron numbers through the gates were down probably due to the wet weather.

Weethalle Truck Show

Sunday 21 August 2022

by Bruce Brown

If you haven't experienced the hospitality of these country Truck Shows then you should put them on your Bucket List as this one is up there with the best. Five club members made the trip to Weethalle for the show organised by Errol Jolly. Snow Lovett (Snow's 'White' Truck) & his crew arrived there about midweek & set up camp in the showground. Mal Brown (Peterbuilt), Joe Vella (Ford Louiseville), Screwy Louiey & myself (Toyota 6000 Rice Burner) arrived at Errol Jolly's property mid-afternoon on Friday. We were made most welcome. There was power & water supplied, along with the use of an outside shower & toilet. There was even a shedded truck wash.

I headed into town Saturday morning for a look around & to catch up with Andy Nash's mate Danno' who runs "The Road Kill Café" in town. I bought lunch there which must have been a recent road kill as it was quite tasty. Later I went out to the Showground and met up with a few campers before returning back to Errol's. Errol, his wife, Vicki and their daughters supplied & cooked a meal for around 20- 30 people who had arrived through the day with their trucks. There were two drum fires roaring for people to stand by or sit around and tell a few 'true lies'. Some of us called it quits about 11pm but the amber liquid was still flowing at 3am. I think 6am came around pretty early for some.

Sunday morning, the trucks were given a quick dry off, taken to the Showground and put in place before the public arrived. The trucks were combined in a rural country show with stalls, equestrian events, a car show, tractor pull & display and a group of Country & Western Singers. 27 trucks entered for judging by Jackson Meredith from Leeton Cummins. Out of the 13 category's for judging the winners from WSHTC were

- Best Restored 1st – Joe Vella;
- Best 20 ys+ 1st Snow Lovett. 2nd B&K Brown
- Best Rigid 2nd B&K Brown
- The Truck of the Show was Benny Pertell's brand new SAR KW Legend.

A big thanks to all the sponsors who with their generous donations help to make this show such a success. It was a great weekend with great people – only Bernie's music was missing around the fire drums at night – I'm booked in for next year.

“Maroota Muster” - Maroota Public School

Sunday 21 August

by Jon Cauchi

The Maroota Muster is held every August in the grounds of Maroota Public School. It was first held in 1981 as the P&C Spring Carnival. It has since developed into something bigger.

Fast forward to Sunday, 21 August 2022... It was a fine clear morning and a great day to take the truck out on a 45 minute drive to Maroota, and I arrived at 9.30am. Most of the vehicles on display had already arrived and parked up in their designated positions. There was only about 20 trucks and maybe 100 cars.

The event was well supported by the school families and the local community. A few rides kept the younger kids happy while a chocolate wheel kept many entertained at trying their luck to win the prizes up for grabs. The boys and girls of the Kachan School of Tumbling and Performance from South Windsor were doing their thing. There were various stalls that provided scones, corn-on-the-cob, hotdogs, cakes and pies. Coffee and ice cream vans were kept busy.

I grabbed a quick bite to eat and headed off around 12.30pm. It wasn't too shabby a way to kill a couple of hours.

BREKKY MEALS: At the AGM it was decided to increase the cost of meals to \$10.00.

The Clarendon Classic - Kenworth Klassic - 2022

There's a saying, "It's been a long time between drinks." When referenced to the Clarendon Classic the sentiment certainly applies. The last Clarendon Classic was in September 2019. The past 3 years has taken that time away from all our lives due to the Covid 19 pandemic and the La Nina weather patterns. I feared a cancellation when Mother Nature dumped 30mm on the showground the day before setup and caused a moat to form along Racecourse Road. Anyway the sun was shining when I turned up on the Saturday and the standard of exhibits was like it has always been - magnificent. Steam engines, stationary engines, antique bikes, circuit race cars, models, military vehicles, something different - a jet engine, and trucks - lots of trucks. Since my interest is trucks and there were hundreds of them, I include photos of the best of them... starting at WSHTC HQ - the Green Shed.

Clarendon Classic continued

It was a very good show. Sunday was the better day with patron numbers bigger than the day before. People of all ages seemed to enjoy their day out amongst all the history. It was wonderful to see the little kids wanting to learn - asking questions and listening to the answers. I look forward to the next Clarendon Classic when I will bring my own piece of history.

Albert Namatjira

My father, Alwyn Becker of Taroom, was the local Ampol agent during the 1950s and 60s, and from that time I recall seeing advertising material that came through when Ampol decided to sponsor Albert Namatjira. Ampol brought Albert Namatjira to Sydney in 1956 and donated him a Dodge utility to assist him to travel the country.

It is good to see the Ampol name has come back, and seeing Albert and the Dodge beside an Ampol bowser brings back some memories. It's great to see these two Australian icons together.
